

- \* Indicates a generic is available without PA.
- \*\* Indicates when additional Prior Approval is required for the therapeutic class, even when using a preferred product.
- \*\*\* Indicates when quantity limits apply.

This list may not include all available formulations listed specifically by name.

### **ANALGESIC - ANTI-INFLAMMATORY - NON-SELECTIVE NSAIDS**

**\*\* Indicates when additional Prior Approval is required for the therapeutic class, including when using preferred product.**

**Failure Rate = 2**

| <b>Preferred**</b>  | <b>Non-Preferred**</b> |
|---|------------------------|
| CELEBREX<br>meloxicam   | MOBIC<br>VIMOVO        |
| <b>Criteria :</b> Hx of GI bleed or PUD, or concurrent steroid. No PA needed if age >=65. |                        |

### **ANALGESICS - LONG ACTING NARCOTICS**

**Failure Rate = 2**

| <b>Preferred</b>  | <b>Non-Preferred</b>  |
|---|---|
| fentanyl (generic for DURAGESIC)                                  | AVINZA*   |
| KADIAN  | BUTRANS   |
| morphine sulfate TABLET ER (generic for MS CONTIN and AVINZA) *** | DURAGESIC*  |
| oxymorphone hcl (generic for OPANA ER)                            | EXALGO  |
|   | morphine sulfate CAP ER PEL<br>(generic for MS CONTIN and AVINZA) *** |
|   | MS CONTIN*/***  |
|   | OPANA ER*   |
|   | OXYCONTIN**/**  |

**ANALGESICS - TRAMADOL & TRAMADOL LIKE DERIVATIVES**
**Failure Rate = 1**

| Preferred   | Non-Preferred   |
|---|---|
| tramadol hcl TABLET (generic for ULTRAM ER and ULTRAM and RYBIX ODT and CONZIP) | CONZIP*   |
| tramadol hcl/acetaminophen (generic for ULTRACET)                               | NUCYNTA   |
|   | NUCYNTA ER  |
|   | RYBIX ODT*  |
|   | tramadol hcl TAB ER 24H,TBMP 24HR (generic for ULTRAM ER and ULTRAM and RYBIX ODT and CONZIP) |
|   | ULTRACET*   |
|   | ULTRAM*   |
|   | ULTRAM ER*  |

**ANTIBIOTICS - 2ND GENERATION CEPHALOSPORINS**
**Failure Rate = 2**

| Preferred                              | Non-Preferred               |
|--|-----------------------------|
| cefaclor SUSP RECON                    | cefaclor TAB ER 12H,CAPSULE |
| cefprozil                              | CEFTIN*                     |
| cefuroxime axetil (generic for CEFTIN) |                             |

**ANTIBIOTICS - 2ND GENERATION QUINOLONES**
**\*\*\* Qty limits apply.**
**Failure Rate = 2**

| Preferred***                                 | Non-Preferred***                                       |
|--|--|
| CIPRO SUS MC REC                             | CIPRO TABLET*  |
