

Thanks for using the Meridian Choice Member Portal! We recommend using one of the following browsers. For all browsers you must enable pop-ups.

- Microsoft Internet Explorer
- Mozilla Firefox
- Google Chrome

Please note: follow these instructions on how to use 'Compatibility View' in Internet Explorer.

1. Open Internet Explorer and then click **Compatibility View** on the **Tools** menu or click on the 'gear' icon from the tool bar as shown below. If you do not see the **Tools** menu, press ALT.

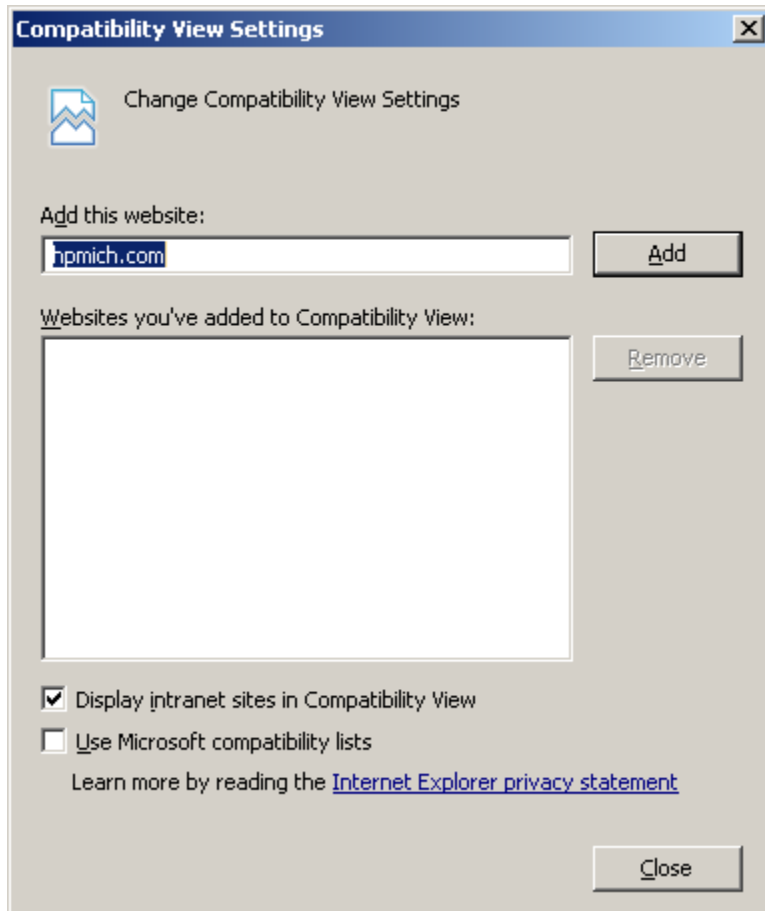

Click on '**Compatibility View**' option from the menu item shown below.

2. Click **Compatibility View** option from the menu item from the above screen. **Compatibility View Settings** windows will appear.

If you are already on Meridian Choice Member Portal page the website name is automatically filled in the 'Add this website' text box from the below screen, then click 'Add' button.

If you are not on the Meridian Member Portal page yet, the type **hpmich.com** in the 'Add this website' text box, then click 'Add' button.

3. Now access Meridian Choice Member Portal page to login.

If you continue to experience issues with the Member Portal please contact Member Services at 855.537.9746. Thanks for choosing Meridian Choice!
